Welcome to the first Prattler of 2014!
At the beginning of each year we welcome a large number of new families to our school. We would like to tell you a little bit about us, the P&C. The Committee and its members and helpers are volunteers from within the school community – mums, dads, carers, grandparents and extended family. We volunteer our time and energy to organise and run activities that aim to enrich our children’s education and create positive relationships between the school and the wider community.

Wirreanda P&C is involved in many areas of school life:
- We run the school uniform shop, providing quality and affordable uniforms for our students
- We host the mothers’ and fathers’ day stalls
- We organise and assist with the running of school discos
- We plan, organise and run a variety of fundraising activities and events
- We use our profits to provide our students with a wide variety of resources – over the past few years these have included two fixed playgrounds, iPads, covered picnic tables
- We meet each month to discuss areas of interest and concern within our school community

This year we have changed our meeting times to alternating Tuesday evenings (6pm) and afternoons (3.30pm). We hope you will consider becoming involved in Wirreanda P&C. There are so many ways you can help out – even small amounts add up when lots of people help.

At our next meeting we will be discussing what we would like to raise funds for throughout the rest of the year, and of course the fundraising activities to achieve our goals! We would love some inspiration, so please come along and share your ideas.
