Welcome back to school! I hope everyone had a safe and happy holiday.
I’d like to welcome all of our new families and students to Wirreanda. I hope you are settling in and enjoying our lovely school.
Thank you and well done to Jayne, Louise and their helpers in the uniform shop during the first week of school. It’s great to see our students in their uniforms! We are lucky to have these ladies volunteering their time to provide this service to our school. Please pop in and say thank you when you pass the uniform shop!
It was great to see lots of parents at our meeting last week. We have decided to make our first meeting of the year a ‘meet and greet’ general meeting rather than the traditional AGM.
Speaking of the AGM, unfortunately we will have to keep you posted as to its date. With the posting of our previous treasurer to QLD, getting our books to the accountant for the audit was delayed. We will have to wait for this to be processed before we can set a date for our AGM. So we will continue business as usual, with our previous committee – thank you to those people for their time and efforts – until our new executive is elected.
Even with this delay, we are off to a roaring start in 2015! We have a grant for our MPC stage curtains and already have some fundraising activities up and running – check out our fundraising segment for details.
We would love to have more parents, carers, grandparents and community members involved in our P&C, either come along to a meeting or catch one of the executive any time (our details are in the Prattler and on the school website) and find out how you can be involved. There are lots of ways you can help out.
We have a really exciting and busy year ahead! I’m looking forward to seeing what we can achieve as a school community in 2015...

Welcome back for another year of great fundraising activities for our school. I look forward to getting to know new and returning parents, grandparents and carers when we hold fundraising events for the school.

We will continue with our events we hold every year – the Mother’s and Father’s Day stalls and our school Discos in Term 1 and Term 3. And maybe a few others you have never seen before.

However we have a Major Fundraising event we will be holding later in the year – A Fair!! Keep watching this space for more information!!

At this stage I am looking for volunteers to be on the fair committee. We usually meet once a month to start with. The committee will put together ideas for the fair which I will then take to the general P & C meetings so that the school community will know what is going to be happening at the Fair. If you would like to be on this committee, please contact me on 0419 905487 or leave your details with the school office. If you would like to help in any way but do not want to be on the committee you are able to, either on the day or leading up to the Fair, please contact me too. We will need as much help as we can get!!

To kick start our fundraising this year we are holding a Garden Express Bulb Fundraiser this term. Please find attached the brochure with information on the bulbs available for purchase. Please note: item #34 rannunculi mixed has been incorrectly listed as ‘10 bulbs for $14’. The correct pack quantity is ‘40 bulbs for $14’. Take the brochure to family and friends to see if they would like to buy any bulbs. Please return the brochure and money in an envelope with your name and class details on the front to the school office by Friday 6th March.

I would like to thank all families for helping and supporting the P & C with our fundraising events so we can give our children better opportunities.

Belinda Beasley
Vice President Wirreanda P & C Committee
