We’re almost halfway through the term already! The P&C has been busy as usual and has several important events coming up including the Fathers’ Day Stall, the disco and our Heroes and Villains Trivia night.

We would like to congratulate everyone on their efforts and achievements during Education Week. I’d like to make a special mention of our Fundraising Coordinator, Belinda Beasley, who was the recipient of the Outstanding Contribution by a Community Member education week award for her outstanding support and fundraising coordination within the school community. Belinda was also nominated for another volunteer recognition award through the Coles Community Hero program for her dedication and tireless efforts within the community and received runner-up in her category. Congratulations Belinda! We are lucky to have such a dedicated and enthusiastic person within our school community!

It was wonderful to see some new faces at our P&C meeting last week. Parents are such important stakeholders in their children’s education and school life. Please come along to our meetings and see how we are involved in the school – it’s a wonderful way to learn how the school functions, see how you can take part, meet parents and staff members and have a say in your child’s education. You can join at any general meeting for just $1. If you can’t make it to meetings, you are always welcome at any of the events or functions that we organise – we can always do with helping hands!

Are you smarter than a 5th grade teacher? Our Trivia Night is less than 3 weeks away so why not get a group of friends together and have a table on the night. This is your chance to outsmart the Wirreanda teachers! They have two tables booked already, but they’re very competitive so look out!!

If anyone would like to donate a raffle prize for the Tombola Raffle at the end of the night, please contact me or drop it into the office. If you have a beauty business it could be a facial, or if you sell candles it could be a candle pack, or you could just donate chocolates or a bottle of wine. We will accept any donations and they will be greatly appreciated!! All businesses and donations will be recognised on the night and in our Prattler.

We are also holding a Major Raffle and the winners will be drawn on the Trivia Night. Each family has 5 tickets sent home today, the tickets are $2.00 each. If families could please sell these tickets and return the raffle stubs with the money to the school office by Friday 22nd August. This will be a great help to the P&C towards raising funds for our children. If all families sell their tickets, it will raise approximately $3,600!! That’s fantastic!!

Father’s Day Stall

Our Father’s Day stall will be held on Friday 5th September. We’d love help, so if you can volunteer your time please contact me or just come along on the day. We provide a cuppa and morning tea for all volunteers.

I would like to thank all families for helping and supporting the P&C with our fundraising events so we can give our children better opportunities.
Belinda Beasley
